

San Clemente Village is supported
by dedicated volunteers,
generous donors and members.
We are committed to:

- **Being active and engaged** while enjoying the friendship of one another in social, recreational and educational activities that are chosen based on diverse interests.
- **Supporting each other** where neighbors are helping neighbors to remain independent.
- **Diversity** by welcoming all residents 55 and above and treating one another with respect and dignity.
- **Integrity** by providing a service of value to its members and operating in a fiscally responsible manner. The Village strives to engage trustworthy, reliable and caring volunteers and service providers.

Who We Are

San Clemente Village is a nonprofit, membership organization serving local residents age 55 and above by supporting an active, connected and independent lifestyle. Being a member of the Village means there are many social and educational opportunities to provide enjoyment and information, and to develop and strengthen friendships. San Clemente Village is part of an exciting national movement. Currently there are over 200 Villages across the country. We connect with each new member to identify needs, interests, talents—and to exchange ideas.
